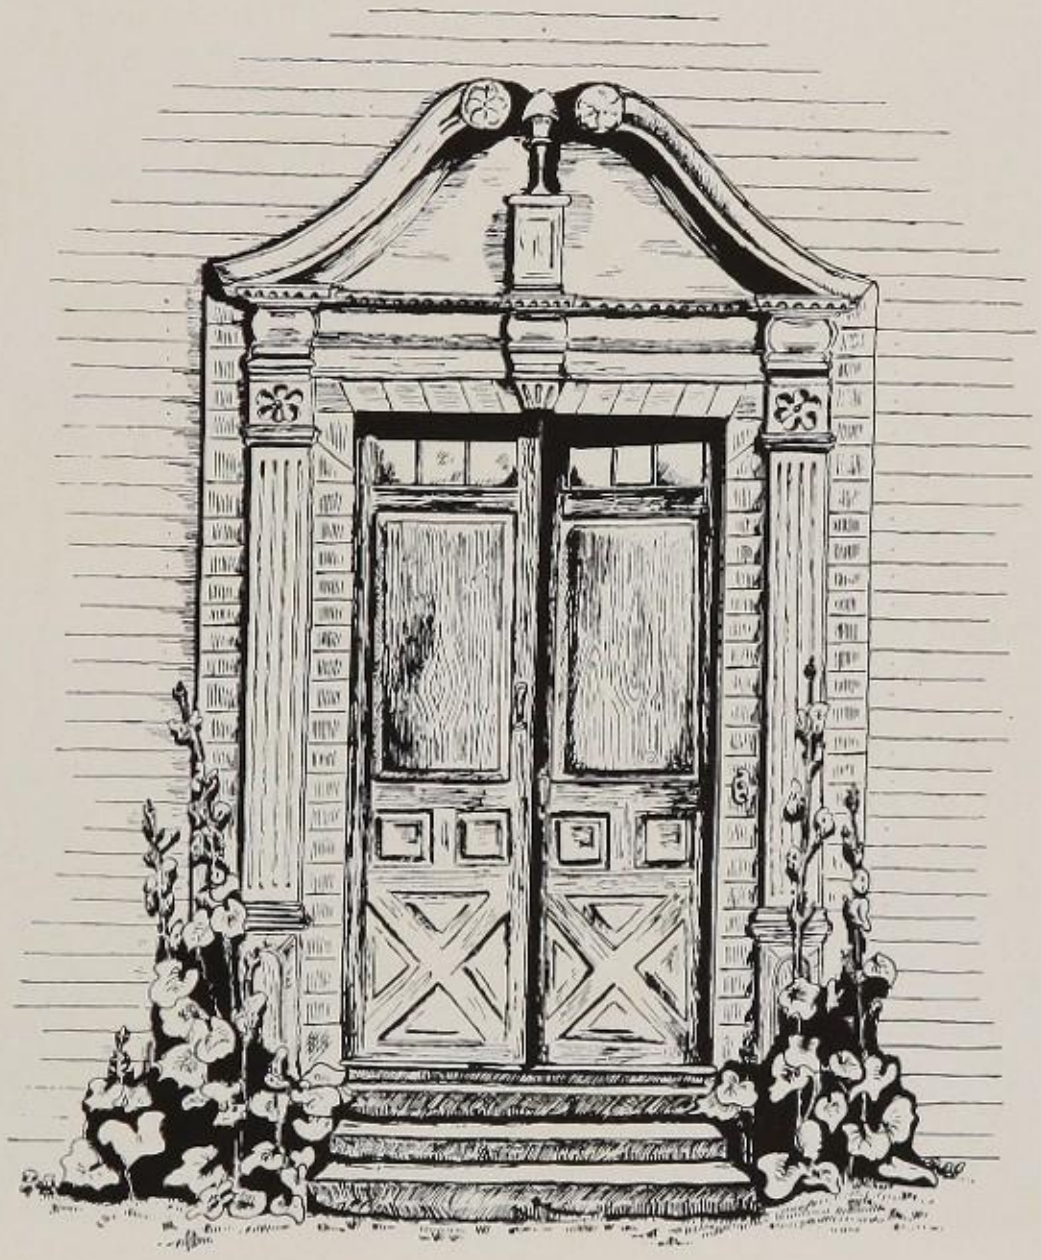
The Pocumtuck
1951

MRS. FRANK L. BOYDEN

The Pocumtuck



Deerfield Academy, Deerfield, Mass.

1799 Volume XXIV 1951

FOREWORD

This book, in recording memories of Deerfield, attempts to reflect the spirit which pervades the school and sustains those who have been associated with it. The editors hope that this edition will serve to preserve and perpetuate the ideals which engender this spirit.

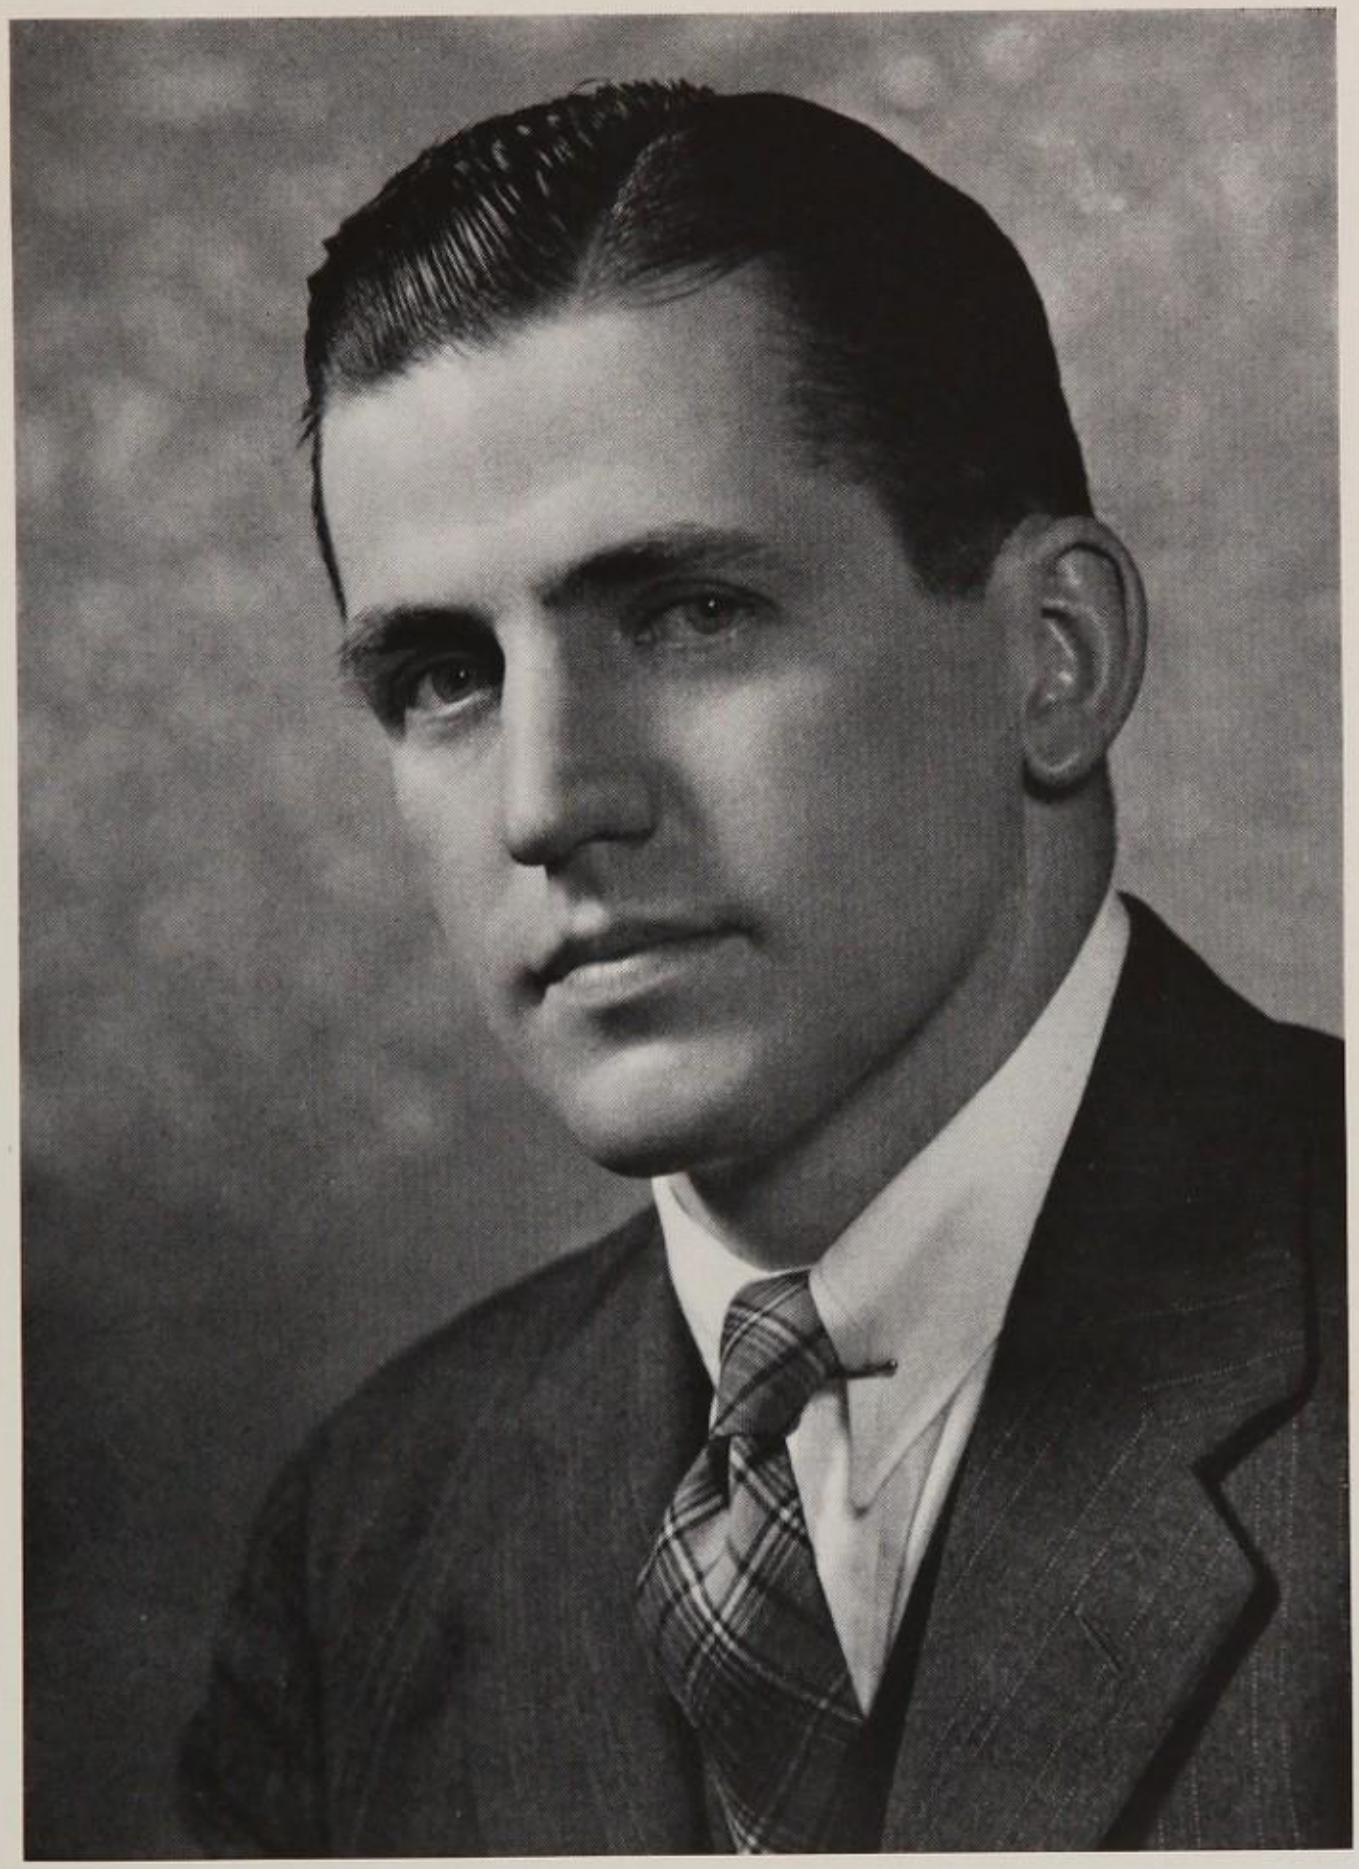
DEDICATION

WE DEDICATE THIS BOOK

TO

HENRY BENJAMIN POOR

who by his diligence, tenacity of purpose, and loyalty to high ideals has made an important contribution to the welfare of the School.



BOARD OF TRUSTEES

CUM LAUDE

THIS year's chapter of Cum Laude was, like the many in past years, an excellent one. The Deerfield chapter was founded in 1934 by William G. Avirett, and since that time it has been one of the school's most prominent organizations. There was only one balloting this year which took place in the spring term. At that time there were added to the organization, twenty-eight new members. The society then had its full complement of thirty-three student members, including John Morton, Dozier Gardner, William Wilmot, William Hetzel, and John Hodgson, all of whom were chosen members as Juniors last year.

The annual meeting of District One of the national Cum Laude organization was the main event in which our Cum Laude participated in this year. The conference this year was held at Williston Academy on May 8th. Among the other schools represented besides Deerfield were Hebron, Mount Hermon, and Vermont Academy. The speaker was Mr. Hugh Silk, a graduate of Oxford University and a member of Deerfield's faculty. The delegation from Deerfield consisted of Mr. Nichols, Mr. McGlynn, Mr. McCormick, Arthur Bond, Robert Gable, John Morton, and William Hetzel. Mr. McCormick is Secretary General of the national organization, and Mr. Nichols has been one of the three members of the district committee for several years.

John Morton was appointed president of this year's Cum Laude, and Bill Hetzel received the post of secretary. The election of these officers and the initiation exercises which took place in the Browsing Library on May 27th climaxed an excellent year for the Deerfield chapter of the national secondary school Cum Laude organization.

GLEE CLUB

SINGING has always been an integral part of Deerfield life. From the first Saturday night movie in The Barn to the last concert on Commencement Day the entire student body participates in this important phase of school activity. Deerfield would not be Deerfield without its group singing, the quality of which depends entirely upon the leadership of a strong, well-organized Glee Club. This year the Glee Club has perpetuated the record of previous years, maintaining its fine reputation in public, and continuing to serve as an inspiration to the rest of the school.

In former years the Glee Club has always been one of the hardest working organizations in Deerfield, and this year has proved no exception. The whole group attended anywhere from two to five practice sessions a week during the winter and spring terms to prepare for its concert schedule. As a result the Deerfield Club compared most favorably with the finest preparatory schools in New England.

The Glee Club is not only one of the most diligent organizations in school, but also one of the most popular. Over two hundred juniors and seniors responded to the call for candidates shortly after Thanksgiving. As in former years almost all those eligible wished to join. After Mr. Oatley had heard each boy sing the traditional tryout tune "Lord Jeffery Amherst" several times, he announced a list of some seventy-two retentions. To a nucleus of twenty returning members twenty-seven juniors and twenty-five seniors were added.

The Club made its first appearance in the Second Congregational Church of Greenfield at the end of the winter term, where it sang several hymns, including "Now Let Every Tongue Adore Thee" and "Ye Watchers and Ye Holy Ones." Although its initial performance was highly satisfactory, the group had to practice many more hours before it was ready for its spring concerts.

On the night of Friday, April 13, the

Glee Club sang its repertoire before the student body and on Saturday went to Hartford to participate in its first major concert of the year in the Bushnell Memorial Hall with the Glee Clubs of Loomis, Taft, Hotchkiss, and Choate. This was the nineteenth of an annual concert series, and as in former years, each group presented several numbers of its own, and sang several selections with the other clubs. This year Deerfield gave a lively rendition of a Negro Spiritual, "Wade in de Water," and also sang Gericke's difficult but lovely "Autumn Sea." Perhaps its most popular song was a lively White Russian folksong "Byeryzanka" arranged by Mr. Oatley. An outstanding job was done by Ted Meredith, as the number's soloist. At the beginning and end of the concert the combined clubs sang four numbers under the direction of George W. Bayley of Loomis. Starting with Homer Whitford's arrangement of Bortniansky's "Lo, a Voice to Heaven Sounding," the group then did "Ye Watchers and Ye Holy Ones." Marshall Bartholomew's rendition of "My Johnny Was a Shoemaker" and the song "When Johnny Comes Marching Home" ended the program.

A joint concert will be held at Troy, N. Y., with Emma Willard on April 27. Following the concert there will be a dance, the traditional and popular ending for this affair. In addition to the songs sung at Hartford, selections from Gilbert and Sullivan's "H.M.S. Pinafore" will be performed.

Spring Day, Saturday, May 12, will be the next occasion on which the Club appears. New songs will be sung at this time besides many old favorites, including "The Even Song" without which no Deerfield Spring Day would ever be complete. A similar program is planned for the Club's last appearance on Commencement Day. The last outside appearance of the Glee Club will be a concert in the Fine Arts Museum in Springfield on May 28.

Once again Mr. Oatley deserves a great deal of credit for his outstanding work in producing another truly superior Glee Club.

SCROLL

DURING the school year of 1950-1951 the *Scroll* again presented interesting and informative accounts of school life. Under the very able leadership of Editor-in-Chief Bill Hetzel, Deerfield's newspaper maintained its high calibre of literary skill and news coverage. Assisting Hetzel as editors were Charles Guggenheimer and John Morton, and Charles Bray was Business Manager.

The object of the *Scroll* is to report various aspects of school life, such as athletic events, debates, and vesper services. As added features the *Scroll* presents columns ranging from humorous to philosophic. The newspaper is read not only by the student body and faculty, but by parents, alumni, and other interested subscribers.

The literary editors, Joe Ellis and Denny Gamble, contributed much to the success of "Under the Buttonball," a column devoted to various endeavors in the field of creative writing. This column afforded ample opportunity for those desiring a free rein in the production of literary pieces, and included several excellent essays, poems, and stories contributed by the student body.

Another feature of the *Scroll* was Dan Curtiss' "Shorts on Sports." Curtiss' sage observations on sports, both scholastic and national, drew plaudits from his faithful following.

A *Scroll* perennial was its "Looking Back" column, which was devoted to excerpts from *Scrolls* of twenty, ten, five, and one year ago. Undoubtedly the most popular feature, however, was "The Upper Level," conducted by Dave Harrop and Charles Bray. The co-authors expounded humorously on different elements of school life, ranging from absence slips to coonskin caps.

The *Scroll* is not all writing, however. The three editors had to choose newsworthy events for the next week's issue and block out a dummy newspaper with respect to position and length of each article. Next, the editors assigned articles

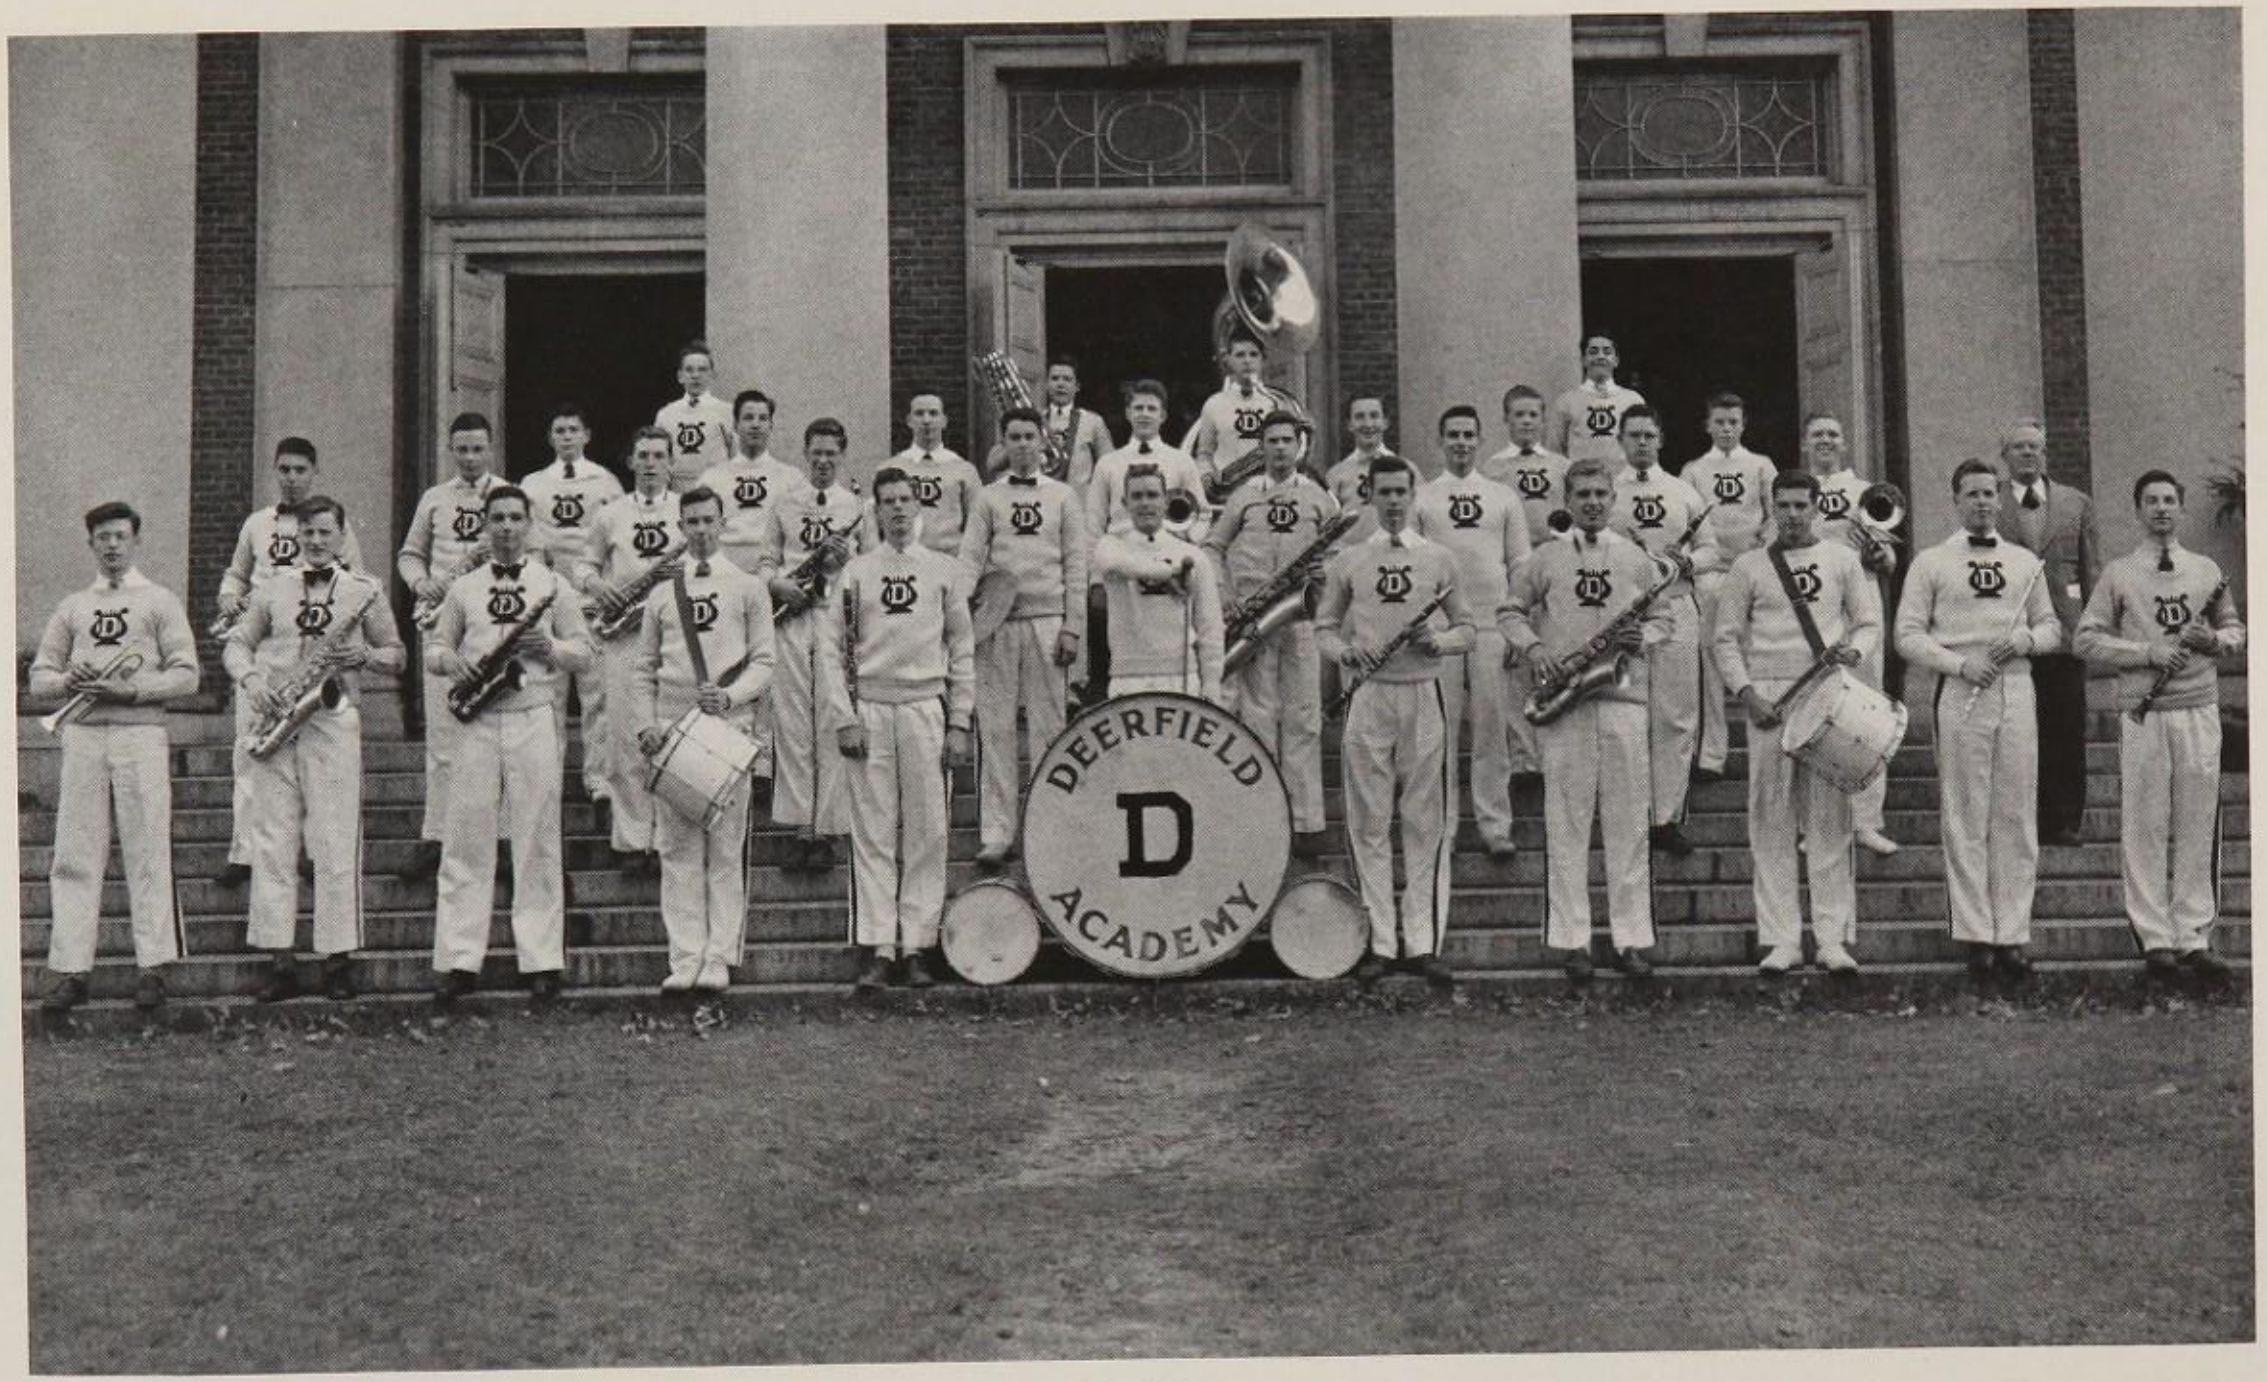
to each reporter. Upon receipt the articles were proofread and rushed to the printers of the *Scroll* in Greenfield. The editors journeyed to Greenfield two days before publication for a last-minute inspection of the proofs. The proofs were then subjected to Mr. Poor's scrutiny whereupon they were returned to Greenfield and printed in time for Saturday distribution.

Due credit must be given the business board under the management of Charles Bray. This board was responsible for the wrapping and mailing of *Scrolls* to subscribers. It also handled the advertisements appearing in the paper, the orders for school jewelry, and the collection of laundry.

This year's photographic board, whose outstanding pictures were highlights of each issue, was headed by James Bowden. Numerous athletic pictures appeared in every *Scroll*. In addition, the many photographs of Deerfield's scenic campus were welcome additions to the pictorial branch of the paper. Before important athletic contests two full pages were devoted to shots of Deerfield's starting teams and various team captains. The photographic board was one of the finest that the school has had.

The thorough coverage of athletic encounters must not be overlooked. Every game played by a Deerfield team was reported, from midgets to varsity, and for most games box scores were provided. At the end of each term a complete recapitulation of every team's season was included.

Mr. Bill and Mr. Horne are to be commended for again serving as faculty advisors for the editorial and business boards respectively. Their help, plus the magnificent job of Editors Hetzel, Guggenheimer, Morton, and the editorial board, the splendid work of Bray and the business board and the excellent accomplishments of Bowden and the photographic board all contributed in making 1950-1951 another outstanding year for the *Scroll*.



BAND

THE 1951 Deerfield Academy Band, under the direction of Mr. Schuler, was one of the finest in recent years. Although prospects for the year were not at all encouraging due to the lack of returning members, the season's success was assured when a large group of new boys arrived at the first practice.

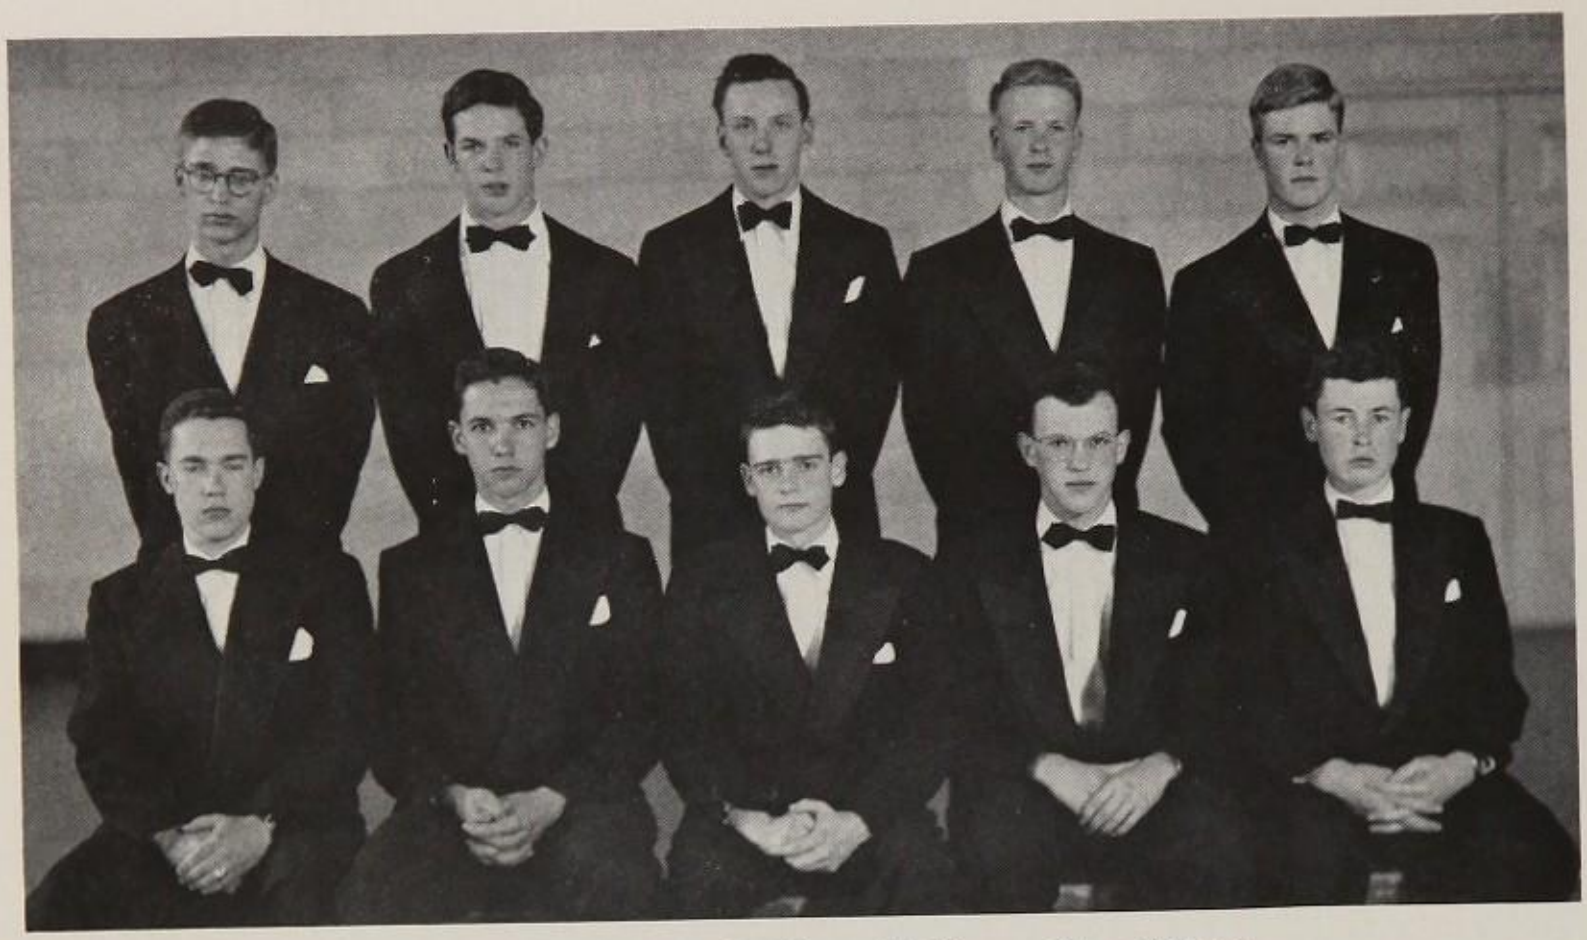
Led by Captain Bob Gable, the Band, in giving its frequent public concerts, improved constantly. A great contribution to this improvement was provided by the lessons given to those boys aspiring to the various positions. These lessons are sure to produce fine bands in the future.

The Band's activities started early in the year at the first home football game. Here their renditions of college and school songs and their marching added greatly to the spectators' interest. Per usual, the Band again led the student body at both Choate and Mt. Hermon.

The most active season for the Band is the winter. Between the halves of the seven home basketball games, they gave concerts, including popular, classical, and college tunes. The high spot of the year for the Band was a patriotic tableau between the halves of the Vermont game. The tableau included representations of dramatic moments in American history, accompanied by the music popular in each era. Great credit should go to Mr. McKenney, the Band's faculty advisor, for the organization and execution of the inspiring tableau.

In the spring the Band gave two concerts. The first was at the Stoneleigh Prospect School, and the other was on Spring Day. In these two concerts the Band gave its peak performances, thus finishing the year in fine style. Before the important baseball games, the Band played at the flag raising.

This year's Band was a very fine one, and a strong returning nucleus assures a very bright future.



Back Row: Guggenheimer, C., Shoup, McKinney, Bray, Wilmot
Front Row: Fox, Nordlander, Morton, Hetzel, O'Connor

SENIOR COUNCIL

ALTHOUGH not compiling an outstanding record, the 1950 Senior Council upheld the standard of former Deerfield debating. Supported by the three returning members of last year's Council, President John Morton, Charlie Guggenheimer, and Dozier Gardner, the debaters tied Taft and Choate, losing only to Hotchkiss.

Opening with a spirited debate, Deerfield opposed Taft on the subject: "Resolved: that Secretary of State Dean Acheson should resign from office." Jim McKinney, Charlie Guggenheimer, and Dozier Gardner upheld the affirmative at home, winning a 2-1 decision from the Taft team, but the negative team of Bob Fox, Bill Hetzel and John Morton failed to gain a victory at Taft, the debate thus ending in a tie.

On February 2, the Senior Council took part in a debate with Choate. Rod O'Connor, Eric Nordlander, and Bill Wilmot argued at home the affirmative: That the pursuit of happiness is detrimental to the American people. The decision was 3-0 against the affirmative but the negative, composed of Bill Hetzel, Jim McKinney, and Guy Shoup, was successful at Wallingford, 2-1, giving Deerfield its second tie.

"Resolved: that the United States should adopt the English parliamentary system of government" was the topic discussed at the final debate of the season with Hotchkiss. Deerfield was unable to win a decision at either end of a very interesting home-and-home debate. The affirmative team of Charlie Guggenheimer, Rod O'Connor, and Eric Nordlander argued at home, while at Hotchkiss, John Morton, Bob Fox, and Guy Shoup upheld the negative.

All of the boys who participated in the three debates were elected to the Council because of their excellence.

Much credit should be given to Mr. Crow and Mr. Miller for their coaching aid and to the boys who made this last season a success.

FORUM

THROUGH the guidance of its officers, President Charlie Guggenheimer, Vice-President Roddy O'Connor, and Secretary Bill Wilmot, the Forum enjoyed one of its busiest and most successful years in the history of the organization. The season was comprised of the annual Town Meeting, a joint Forum-Senate encounter, four panel debates, and the yearly Freshman-Sophomore debate. This rounded schedule provided a very busy and interesting Forum debating season.

As in previous years, the Deerfield debaters opened their season with the annual Town Meeting which was held in the Library midway through the fall term. Four members from each of the societies discussed four varied and interesting subjects, a Senate and a Forum member arguing on each subject.

The next event on the Forum's agenda was the Forum-Senate debate which was held on the subject: "Resolved: that the Truman Doctrine should continue to be the Foreign Policy of the United States." The Forum won a unanimous decision from their arch-rivals.

The highlight of the winter term was four panel debates on various current subjects. As a result of these debates fifteen new members were elected to the society. A great number of the electees were underclassmen who will carry on the fine tradition of the Forum next year.

During the spring term also the Forum continued to be very busy. There were intramural debates among the underclassmen, an attempt to discover talent for next year. Following the tradition the season closed with the annual Freshman-Sophomore debate. In addition to this activity many Forum members participated in the Senior Council debates with other schools.

As every Forum member knows, it was Mr. Olsen's and Mr. Schell's efforts that made 1951 a banner year.

Back Row: Marcus, Harrington, R., Knowles, Hays, Kelly, Weston, Bodkin
Second Row: Procter, Mobley, Skilling, Cholnoky, Lammert, Rudd, Ellis, Diamond
Front Row: Bowen, Bryant, Fox, Hetzel, Smith, C., Shoup, Thompson, P., Edwards, N., Phillips

SENATE

CAPABLY and enthusiastically headed by President Charlie Smith and Secretary Bill Hetzel, the Senate experienced an extremely busy and successful season this past year. In all, eleven new orators were added to the organization's roster, thus forming a strong nucleus to insure success in future years.

As in past years the debating season opened in the fall term with the Town Meeting, a joint debate involving four members from both the Senate and Forum. The topics treated by the members of the two societies were interesting and served to acquaint the new boys with Deerfield debating. In the first topic Joe Ellis upheld the claim that the best interests of baseball are served by the continued superiority of the New York Yankees. Next, Tibor Cholnoky asserted that the Democratic party is not responsible for the Korean situation. Guy Shoup, clad impeccably in plaids, maintained that the current trend in plaids is not deplorable. In the final topic discussed, Bob Fox advocated the desirability of a military man in the White House.

Highlighting the winter term were four panel debates and the annual Senate-Forum encounter. In the latter debate a Senate quartet was defeated by four Forum orators on the topic, "Resolved: that the Truman Doctrine should be the continued policy of the United States in world affairs." For their excellence in the panel debates ten debaters were elected to the society.

Aside from the intramural contests, a few of the Senate's representatives took part in the Senior Council debates, which occurred during the winter term. The official debating season ended in the spring term, as has been the custom, with the annual Freshman-Sophomore debate. The great interest of all its members made this Senate season a success.

DRAMATIC CLUB

DURING the month of December a presentation of the melodrama *Curse of an Aching Heart*, or *Caught in the Spider's Web* was presented by the Dramatic Club. This rollicking comedy proved to be a delightful change from the more serious dramas of former years. The object of the production was to portray the type of play characteristic of a period of many years ago. The setting and old tunes helped to create atmosphere needed for the melodrama.

The theme of the action was the pursuit of the villain, Windemere Hightower, played by Robert Moses. His capture was finally brought about by the bravery of Arthur DuBois, president of the club, Eric Nordlander, who portrayed his wife, and several other heroes. Indeed it was also due to the cunning of Armand Cincotta that the villain was apprehended. Roddy O'Connor and Jack Wardwell had significant parts in the action. Amusing incidents and puns kept the audience in laughter throughout the performance. The sight of Robert Burrer, Tony Nash, and Bob Hiden in women's clothes drew a howl from the crowd. Between the acts the masters' quartet furnished excellent entertainment.

A great deal of credit for this production must be given to Mr. Herlihy, who originated the idea of giving this melodrama that he so successfully directed. Mrs. Howe and Mrs. Hubbard aided invaluably with the costumes. The stage crew, headed by George Lunt and Guy Drake, provided an excellent setting, and without its assistance much of the effect of the play would have been lost. All the members of the club and those who helped to put on the play are to be congratulated in providing such fine entertainment for the student body.

Back Row: Donnelley, J., Thebaud, Hoogenboom, Bennett, Few
Front Row: Packard, Fleissner, Hallagan, Cochran, J., Cochran, R., Falcon, Bliss

CHESS CLUB

A PROMINENT position in Deerfield recreational activities was again occupied by the Chess Club. Co-Presidents Jim Cochran and "Bang" French ably headed a group of eighteen members. Mr. Cate acted as faculty advisor with Mr. Cobb assisting him. This year marks the end of an era of meeting in the main study hall after church on Sunday. Starting next year the club hopes to occupy an allotted room in the Activities Building now in construction.

The season began with an elimination tournament involving twenty-four eager competitors. Irwin Fleissner was the winner of this, and from the results a ranking board was established. Later, Jim Cochran unseated Fleissner, making the standings read Cochran, Fleissner, French, Dow, R. Cochran, Hoogenboom for the first six. A feature this year was the instruction given by Mr. Paul Hawks, the local postmaster. On several Sundays Mr. Hawks coached the club on the intricacies of such involved plays as the "queen's gambit."

At present one match, with Loomis, has been played. Deerfield lost by a 3-2 score, but made an excellent showing against this undefeated team. Dow and Bob Cochran, playing on the three and four boards, were the two Green victors. Jim Cochran, at number one, Fleissner at number two, and Hoogenboom at number five each lost in tight games. A return match with Loomis and a match with both Cranwell and Kingswood have been scheduled. Faculty and Greenfield contests are impending.

The constant activity and sustained interest shown during the year by the Chess Club guarantee a future Mecca for those who appreciate the fine skills of this exacting game.

VARSITY FOOTBALL

DEERFIELD'S 1950 varsity football team proved that drive and speed can overcome inexperience. During the season a steady defense and a capable offense combined to win four, tie one, and lose two. The lack of lettermen only made the squad realize the need for a dauntless spirit and constant hard work. Captain Garey Symington provided inspiring leadership and was a tower of strength in the middle of the line. The aerial attack so well employed by Lee Hildreth at quarterback enabled the offense to gain yardage on the ground when the opponents shifted in anticipation of a pass. The tireless efforts of the three coaches, Messrs. Haviland, Hubbard, and Pidgeon, were rewarded with the surprising success of this team.

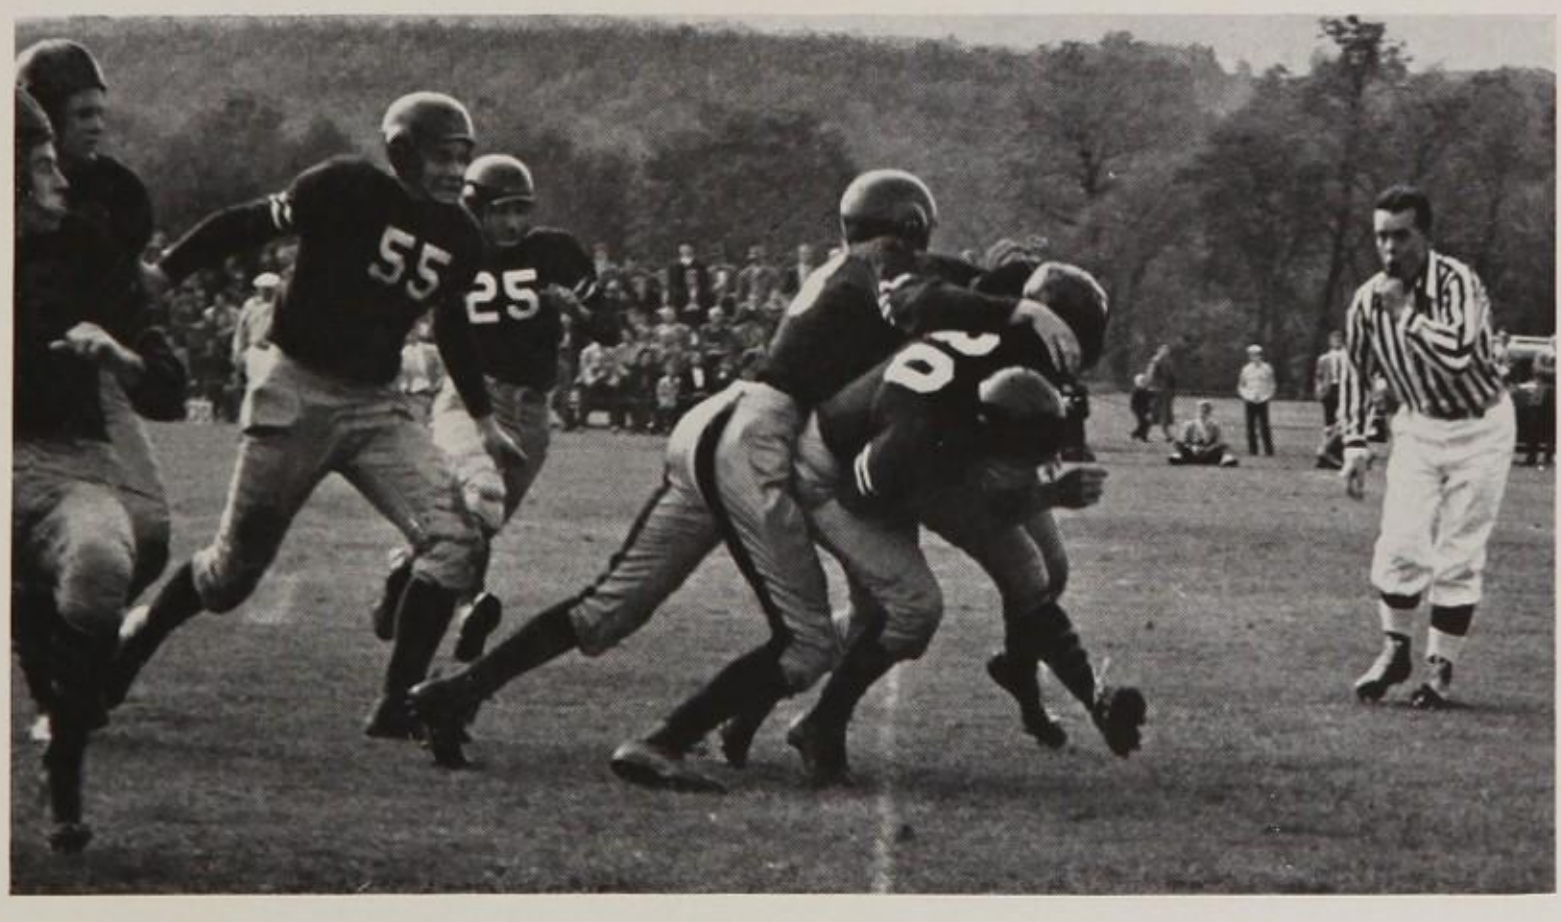
The season opened against Vermont with a game which found the Green and White thirteen points ahead at half-time. Two Vermont drives evened the score, but a Hildreth-to-Banks pass secured the victory, 20-13. In the second game the team was overpowered by a fine Hotchkiss eleven which converted two fumbles and an intercepted pass into a 21-point first-quarter lead. The recovery during the last half had little effect on the 41-12 drubbing.

The game the following week against Taft looked at the outset like a repeat performance of the previous contest. The team trailed 19-0 at halftime. Despite continued Taft thrusts Deerfield scored twice. In the final moments of the game the miraculous comeback resulted in a 19-19 tie as Lee Hildreth ran 25 yards from punt formation on fourth down. The squad next put on a last-quarter drive that netted them a narrow 7-6 win over Cushing Academy. The opponents held an advantage for three quarters following a march to the goal line in the opening minutes of play. The touchdown was made but the conversion failed. At several crucial points serious Cushing threats were checked by opportune penalties. Lee Hildreth intercepted a pass during the

fourth period and several plays later threw one to Charlie Smith which was good for twenty-five yards and a score. The all-important extra point was made on another pass from Hildreth to Dexter Lewis. Unhampered by a driving rain, the Deerfield eleven exhibited the best offensive play of the season in piling up a 27-0 victory over Williston. Bob Jedrey and Lewis each scored once, and Hildreth went over twice on short, fast quarterback sneaks.

Highlighting the season for the team and for the entire school which traveled to Wallingford, Conn., to see the game, was the 7-0 victory over Choate. The rival elevens were very evenly matched and determined to win. In the first half Choate dominated the play. Only the outstanding line performance of Drake, Witter, Van Hazel, and Symington kept the opponents from scoring. During the second half the Green and White was forced to carry on without Hildreth who was injured. In the third period Bob Jedrey broke loose and went thirty-three yards for a touchdown. The extra point was added by Jim Van Petersilge. Our defense stiffened and Choate was unable to counter. After this epic triumph the school journeyed to Mt. Hermon to watch the varsity be overpowered 54-12 by a tremendously strong team. The two Green scores showed the heroic battle put up by an outclassed team.

Pre-season hopes for the 1950 varsity were not high. The excellent record was not attained easily. Nevertheless, a good team was built and it was successful. The thrilling victory over the Choate eleven was responsible for the most memorable day of the fall term. Outstanding were Symington and Hildreth. But the most significant factor in the success of the mid-century squad was its team play and determined spirit.



FIRST JUNIOR FOOTBALL

Back Row: Liebman, Baldwin, Dow, Mr. Bohrer, Mr. Cobb, Touher
Third Row: Edwards, J., Ramsdell, Preston, Danielski, Nordlander, Fry
Second Row: Fox, Lamb, Pabst, Ames, Plunkett, Addington, Linsley, Swain, R., Milewski
Front Row: Hallagan, Goodrich, Milton, Beebe, Gulick, Gamble, Lewis, W., Conlon

JUNIOR FOOTBALL

THE Junior Football System of 1950 enjoyed its usual successful season and finished its outside competition with a fine won-and-lost record. The System was founded in 1926 by Mr. Perrin in order to give boys of all weights the chance to garner valuable experience by playing outside competition. The fine record of the System must be attributed to the combination of the tireless work of the coaches and the interest and spirit shown by the boys, without which the System could not be maintained.

Although the Junior Varsity's record was not extremely impressive, a vast improvement was shown in their final encounter at Lenox. Due to aggressive line play and excellent ball-carrying in the backfield, the Green and White was able to win 14-6. Tucker Creamer and Charlie Pielock contributed much to the team's scoring punch, and the consistent line play of "Essie" Esselstyn, Ed Opler and Bob Yates was also noteworthy. Coaches Pidgeon and Cook deserve a great deal of credit in their developing of this hard-fighting team.

The only undefeated team in the System was the first Junior aggregation, superbly coached by Messrs. Bohrer and Cobb. The first three games while being well-played were not exceptional and the Juniors capitalized on the weakness of their opposition. However in their last three contests, a higher caliber of play was demonstrated. The high spot of the season was a well-deserved but hard-fought 20-0 victory over the Mount Hermon Junior Varsity. The play of halfbacks Bill Ames and Whit Addington was especially pleasing in this game as it had been all season. Similarly that of Tim

Goodrich and Dave Preston in the line was particularly worth mentioning.

Mr. Oatley's capably-tutored first lightweights had only a mediocre record in the win-loss column, but nevertheless their games were characterized by an indomitable will to win. After dropping a 6-0 heartbreaker to Kimball Union in their opener, the lightweights came back to trounce Vermont 32-13 with Rey Smith scoring three touchdowns. Mr. Oatley's charges played their best game of the season against a much heavier Enfield team and managed to win by a 6-0 score. Outstanding for the entire fall were backs Ed Bullard and Paul Doherty, linemen John Barrett, Bob Bowden, Mike Durham, and Warren Zimmermann, but the most credit should go to Captain Smith who accounted for 8 of the 11 touchdowns scored during the year.

Due to excellent coaching from Mr. Hirth, the first midgets enjoyed one of their best seasons in recent years. In winning three of five games they scored 100 points while holding their opponents to 42. Versatile Pat McCarthy played extremely well all season.

The coaches of the Junior System deserve much credit not only for this year's record, but for developing some outstanding prospects for future varsity teams.

VARSITY SOCCER

POTENTIALLY Deerfield had one of its finest varsity soccer teams, but its inability to play exceptionally good soccer away from home denied the Green and White an undefeated season. The team was strong both defensively and offensively, for there was no weakness on the team whatsoever. Perhaps this offensive power caused the varsity to have only a good record because the players seemed reluctant to shoot unless they were in perfect scoring position. Thus practically every one of Deerfield's scores was a result of some fine passing, and few goals were unassisted.

The line consisted of Tom Lincoln and Co-Captain George Lunt, a veteran with three previous years of varsity experience, on the outsides; Willie Lapham, Gene Holman, and Paul Tiemer alternated as the insides, and in the center of the line was the always dangerous Hal Seward. The halfback line, made up of Dave Findlay, Noel Stace, Frank Punderson, and Co-Captain Charlie Grace, probably would be singled out as the line which contributed most to the team. Dick Boyden, Ted Stephenson, and Pete Thompson rotated at the two fullback slots, and Charlie Bray was a brilliant mainstay in the goal.

Deerfield opened its season with a 6-0 victory over a weak Suffield team, that only took three shots at the Deerfield goal during the game. Lunt had a field day and booted in half of the markers. The varsity exhibited its worth by battling the Williams varsity to a 1-1 tie a few days later. The squad then visited Hotchkiss and barely eked out a victory in a closely contested struggle. Lunt, Findlay and Lincoln each scored a goal to offset the two tallies of the Hotchkiss eleven.

The next game on a Saturday when the football team was away proved to be the highlight of the season. Before a large crowd Deerfield vanquished Exeter 5-1 in what is said to have been the greatest performance ever put on by a Deerfield soccer team. From the first whistle to the

end of the game the home team committed hardly an error. All the goals were masterpieces of teamwork and great shooting.

On October 28 the varsity travelled to Andover and blanked a good Andover team 2-0. The game was won on penalty kicks by Lunt and Stace. On the whole the play of both teams was quite ragged, and the Green and White were fortunate in winning. Four days later Deerfield tied Wilbraham 1-1 on their field. Although the team tried its best, it never got started. Seward contributed the lone Deerfield tally. Bray made several outstanding saves during the stalemate to prevent Wilbraham from taking the tight contest.

Once again the team played brilliantly on its home field, trouncing Williston 4-0 in a downpour. Skillful passing helped Tiemer, Lunt, and Lincoln in scoring. A few days later the team met Mt. Hermon, and the game resulted in a scoreless tie. Deerfield pressed during the struggle, but they could not solve Hermon's defensive strategy.

The varsity suffered its only defeat of the season when it battled Choate at Wallingford prior to the football game. Both teams were aggressive, but Choate took advantage of the breaks and poured in three goals to overcome the two converted by Lincoln and Seward. The final game for the varsity proved to be a fitting conclusion as the team overwhelmed Taft 9-2.

It would be difficult to choose from the wealth of talent the most valuable players on this year's team, but doubtlessly Lapham, Seward, Lunt, and Grace must be included among them.

Mr. Boyden and Mr. Avirett, who molded a fine team with their diligent work, deserve a great deal of credit for their efforts.

JUNIOR VARSITY SOCCER

Back Row: Mr. Merriam, Gardner, Johnston, O'Connor, Thompson, A., Iselin

Front Row: Clark, P., Doubleday, Taylor, A., Hetzel, Pydych, Hardenbergh, Anderson, A.

JUNIOR SOCCER SYSTEM

DURING the fall of 1950, the Deerfield Junior Soccer System, under the very able direction of Mr. Williams, experienced its twenty-second successful season. The System was founded by Mr. William Avirett for the purpose of enabling boys to gather valuable experience from playing in outside and intramural competition. In past years Deerfield's lower soccer teams have always compiled excellent records, and last fall was no exception as Deerfield teams won 23 of the 27 contests played.

The System's top team, Mr. Merriam's Junior Varsity, completed a rugged schedule with the excellent record of eight wins, two losses and one tie. The Jayvees had little difficulty in overcoming New England College 3-1, only to fall victim to a Ludlow powerhouse 6-2 in their second outing. The outstanding performance of the season came at the expense of Andover, Captain Bill Hetzel leading the team to a 5-1 victory. Having previously lost 2-0 to Mt. Hermon, the squad demonstrated its great improvement, crushing the Red, 5-0. Throughout the season the vastly improved play of goalie Rud Barrett was especially commendable as was the leadership of Bill Hetzel.

Despite being handicapped by numerous promotions, the Varsity Reserves, under the astute tutelage of Mr. McKenney, managed to win five of their six games, losing only to Kimball Union by a heart-breaking 1-0 count. The consistent defensive play of goalie Kim Townsend and fullbacks Bill Buckwalter and John Horton was exceptional, as was that of halfback Hal Henderson, captain of the team. Center John Packard provided the real scoring punch by averaging two goals a game.

A closely-fought intramural league was formed by two equally powerful senior teams and the League squad. Mr. Suitor's Leagues were triumphant in a majority of the games in their series, and were also successful in games with Williston and Dublin. For the first time the Seniors, being capably coached by Messrs. Hallenbeck and Harrop, had an outside game, and they emerged triumphant 3-0 over a similar Choate team.

The Juniors, cradle of Deerfield soccer, finished their season with an unblemished record, the first since the founding of the System. The Juniors, so organized to give each boy equal time for playing, each fall welcome a large gathering of boys with little or no previous experience, all seeking to learn the fundamentals of the game. The Juniors began their season by defeating Eaglebrook 6-1 in a promising curtain-raiser, but the highlight of the fall was a well-played 3-2 victory over Mt. Hermon. This accomplishment marked the first time that the Juniors have beaten the Red since 1937. The never-tiring work and interest of Coach Arthur Ruggles and his assistants, Mr. Boyle and Mr. Dicklow, has resulted in the best Junior team of recent years. Especially noteworthy was the high caliber of play demonstrated by linemen Terry Evans and Dave Kimball and also halfback Howie Brown and goalie-Captain Pete Buchanan, whose timely saves often spelled victory for his teammates.

The greatest possible credit should go to the coaches for developing some excellent prospects for the varsity in coming years, and to the boys without whose undivided interest and cooperation, the Junior program would not be possible. The school should be proud of the record of the 1950 Junior System.

CROSS COUNTRY

DESPITE the fact that the 1950 Cross Country team lost four out of its five meets, it was the best team in the three-year history of the sport at Deerfield. With lettermen Dino Equi, Piet van Loon, Peter Hyde, "Shorty" Williams, Bill Freeman, and Captain Jim Bowden forming a strong nucleus, the outlook for the 1950 season looked bright. Unfortunately, despite the fact that the team had five men running within thirty seconds of last year's undefeated Dave Dame's best competitive time, the squad ran against some of the finest teams in New England.

In the first meet of the season the Green and White started off in good style against the Amherst Freshmen. Led by Hyde and Equi, Deerfield made a clean sweep by taking the first ten places and won 15-50. The next race was against a strong Mt. Hermon team in which the Deerfield harriers succumbed to a 15-50 defeat. In this race it was a case of a good team being beaten by a better one since five Deerfield men were timed under fourteen minutes.

In the following meet Deerfield met a four-man Gardner High School team and dropped a 14-22 decision. The next meet resulted in a 15-50 defeat at the hands of a powerhouse freshman team from the University of Massachusetts. The first man to finish for the Green and White was Hyde, followed by Equi. In their final meet against an undefeated Choate team the "Endurance Men" of Deerfield ran their best race but lost by a 15-40 score. Choate took the first five places while Deerfield, paced by Equi, captured the next six.

A great deal of credit must be given to Mr. Saunders for his able coaching, to Captain Bowden for his spirit and leadership, and to Equi, Freeman, and Hyde for their work during the season.

VARSITY BASKETBALL

COMBINING a versatile and high scoring offense with a better-than-average defense, Varsity basketball was able to end its season with the phenomenal record of eleven wins as compared with two losses. Both defeats, suffered at the hands of Choate and Cushing, came early in the season, and were later avenged by the Green on its home floor. Aided greatly by the experience of three returning lettermen, Captain Pete von Storch, Dave Banks and Willy Lapham, the team started well and steadily gained enough momentum throughout the year to establish a new modern school scoring record of 80 points against Vermont.

In the season's first encounter, Tabor was easily overcome 71-54 due to the stratospheric scoring performance of forward Lee Hildreth. In its next encounter the varsity completely outclassed a valiant Wilbraham quintet, 65-31. Hildreth was again high man with 27. Tasting the sting of defeat for the first time, Deerfield dropped a 55-54 heartbreaker to Choate on the latter's court. Three days later the varsity journeyed to Ashburnham and there absorbed a 56-40 licking at the hands of a potent Cushing aggregation. A great height advantage told the story as Kasprzak, their 6 foot 4 inch center, was our team's nemesis. Bouncing back into the win column, the Green then began its streak of wins by decisively beating arch-rival Mt. Hermon 59-42. Bernie Redmond lined up 12 markers.

Surmounting an 18-6 deficit gathered by powerful Williston in the first quarter, Deerfield managed to gain a very narrow 62-56 victory. Individual stars for the night were Banks and Hildreth, who contributed 47 points to the Green cause. Continuing in its winning vein, the varsity added two more victories to its skein at the expense of Vermont and Loomis in games characterized by the consistent scoring ability of Lee Hildreth and Charlie Pielock. The home court slate was kept unblemished as an earlier defeat was avenged when a 65-55 thrashing was

inflicted upon a visiting Choate team from Wallingford. Two foul shots scored by reserve center George Dill after the final gun culminated the second very lopsided victory over Vermont, and enabled the team to reach a goal of an unprecedented 80 points in a single contest. In perhaps the finest game of the season, and certainly the most exciting, Deerfield came from far behind in the final period to wrest a thrilling double overtime victory from Mt. Hermon. Pacing the attack was Pielock, who managed to compile 27 points, 21 of which came in the all-important second half. Rounding out the season on foreign courts, the team again manifested its superiority over Williston by narrowly eking out a close 54-49 win. The game's deciding factor was the superlative scoring and all-around good play-making of Dave Banks at the center position. A well-deserved yet hard-fought decision in a return game with Cushing concluded the season in brilliant fashion. Again it was Pielock who led the Green to its impressive triumph over New England's top-ranking prep school outfit.

The untiring interest and patient efforts of Mr. Boyden and Mr. Bohrer, plus the indispensable and enthusiastic leadership of Captain von Storch, contributed immeasurably to the excellent record compiled by the team as did the spirited support of the student body at all of the home games. A word of thanks ought to be given to the jayvees whose keen competition pushed the varsity to the best of its ability. Consistently leading in scoring during the winter were Hildreth and Pielock, but the 1951 varsity basketball team deserves its great praise collectively, not individually as its fiery team play often spelled the difference between victory and defeat.

Front Row: Samuels, Shumway, J., Grousbeck, Esselstyn, Cullen, Hawley, Mr. Avirett

JUNIOR BASKETBALL

UNDER the guidance of Mr. Perrin, the Junior Basketball System this year underwent a radical but beneficial overhauling. The institution of two junior varsity teams, one for the seniors and the other for the underclassmen, allowed more players to compete against a higher caliber of opposition so that they might gain more experience in preparation for the varsity in later years. With the adding of another squad of junior varsity ability a greater number of boys now obtain the invaluable seasoning resulting from continual play and outside competition. Though the opposition was made more difficult by this change, the five teams continued the fine record of their predecessors by winning 40 games while losing only 17.

Although the newly-organized Senior Junior Varsity did not fare as well as the rest of the other Deerfield teams, it did a creditable job in completing an extremely difficult schedule with a final result of four games won and eight lost. Coach Butler commended the excellent spirit of his players who continued to improve even after losing their first four games. Led by Bob Yates, whose average was twelve points a game, and Art Drazen and Ralph Lowenfield at guards, the team defeated many strong opponents. It lost five games by three points or less, and defeated four teams which had previously defeated them. Hence facts seem to indicate that this newest addition to Deerfield basketball will be a worthwhile member in the future.

By far the most successful team in the Junior System was the Junior Junior Varsity. Ably coached by Mr. Avirett and capably led by "Essie" Esselstyn, the team won twelve of thirteen games; they unfortunately dropped a heart-breaker to Mt. Hermon, a team which they had previously beaten. The first team, con-

sisting of Esselstyn, Bill Cullen, and Irv Grousbeck as the principal scorers, and Gene Hawley and John Shumway as the guards, worked extremely well as a unit. Cullen, Esselstyn, and Grousbeck all obtained over 100 points apiece during the season, Cullen scoring 167. In the thirteen games, seven different boys were high-scorers. As reserves Ken Liebman, Eric Nordlander, and Bill Ames excelled. There are many fine prospects on this team, and Mr. Avirett can well be proud of his year's work.

Mr. Perrin again turned out another fine Junior basketball team. Led by Captain Tren Linsley at center the squad won six out of its last seven games to complete a very difficult schedule with a record of eight wins and four losses. The work of Paul Doherty, one of the finest playmakers in the history of the Junior System, and of John Moritz, high scorer with 180 points, was outstanding throughout the season.

Only two losses in eleven games were inflicted on the Sophomore basketball team this year. After losing the first game to Arms, the squad improved a great deal, and ended the season by defeating Leland and Gray, 53-25. Earlier in the year the margin of victory was one point. The losses to Amherst by five points and Arms by two were decisively avenged during the season. Fred Baird's 113 points was the team's highest. Mr. Suitor also praised Jim Vernon at center, and the floorwork of Dave Kimball at guard.

Under the tutelage of Mr. Boyle the Freshman basketball team completed its season with a record of seven wins and two losses. Francis Lawler and Harold Akey were outstanding. The highlight of the season was attained when 56 points were scored against Hopkins.

Although varied in composition from previous years, the Deerfield Junior Basketball System has once again proved equal to its task in that it provided an opportunity for many boys to play against a high standard of opposition, thus insuring the success of future varsity teams.

VARSITY HOCKEY

THIS year the Varsity hockey team, ably coached for the first time by Mr. Merriam, compiled one of the best records in recent years. Combining a strong defense, and a powerful, high-scoring offense, the team ended its season with the highly satisfactory record of nine wins and three losses. This was accomplished while playing a grueling schedule, often with little or no practice before important games.

It was with only three practices that the Varsity skated onto the ice in the Garden to face the St. Mark's team, but, despite this factor, the Green easily overcame their opponents 8-0. In this game the offense demonstrated the scoring capacity that was to stand the team in good stead throughout the season.

The squad started its regular season by crushing a weak Cushing aggregation, 10-1. Using a five-man offense, Deerfield easily dominated the play. A few days later the team traveled to Vermont. Spark-plugged by the scoring of Captain Dave Harrop, Todd Baldwin, and George Lunt, the Varsity sextet came away with a 3-1 win.

The team played what was probably its poorest hockey of the season on January 17 against Lawrence Academy. Tallying mostly from melees before the goal, the Green won, 10-5. Three days later the Deerfield six lost its first game of the season to the strong R.P.I. Freshmen at Troy. The team started slowly and was behind 5-3 by the end of the first stanza, but outscored their opponents in the second period. At this point a particularly strong R.P.I. line caught fire, scoring several times to win the game, 10-6. The Deerfield play was highlighted by the scoring of Hal Seward and the 45 saves made by Ed Opler in the goal.

The next few games the team continued to play five-man hockey with excellent results. With the first line of Jedrey, Harrop, and Baldwin playing outstand-

ingly well, the Green decisively defeated Mt. Hermon 5-0. The following day Peter Meyer led the scoring against the Pomfret School with three goals. Several days later the Varsity engaged Williston in a driving snowstorm, and defeated the home team, 11-0. On February 3 last year's loss to Choate was decisively avenged with an 8-0 shutout. However, the Green also sustained a severe loss in this game when Hal Seward was injured and put out for the season. Mike Erdman and George Lunt starred again with their superb defensive work. The Wilbraham game the following day was characterized by a lack of co-ordination which, fortunately, did not hamper Deerfield's scoring ability, the game ending a 9-0 shutout.

On February 22 the team journeyed to Boston at the invitation of the Belmont Hill School to play in the Arena. The Belmont Hill hockey team was the best in the Boston area, and was by far the strongest opposition that the Green faced during the year. The Varsity was at a disadvantage due to lack of practice, and, consequently, could not match the speed and dexterity of the Belmont Hill team. The latter won, 6-1, Lunt scoring the only Deerfield goal.

In the year's final game, played at Meriden, N. H., with Kimball Union, the team played perhaps its best hockey, but came out on the short end of a 5-4 score. The first period ended 2-1, while the second was tied, 3-3. As the game ended with a 4-4 tie, two overtime periods were played, in the last of which Kimball Union scored the winning goal.

In retrospect, the outstanding record compiled by the Varsity hockey team is a result of fine teamwork. The entire team worked continuously to capably meet its games. But most of all, credit is due to the untiring and unceasing efforts of Mr. Merriam in working with the team. This team is one of which we all are justly proud.

Front Row: Mitchell, A., Addington, Anderson, A., Symington, Reed, T., Bell, Barrett, C.

JUNIOR HOCKEY

NINETEEN Fifty-One proved a successful year for the three lower teams of Deerfield's hockey system. Although poor weather conditions greatly reduced the total number of games played, several extremely promising boys gained the game-experience which shall be so valuable for next year's varsity squad. The record of the junior varsity, three wins and three losses, was good, considering the fact that two of these losses were to varsity teams. The third team also had a fair record, winning one and losing one. The best record was made by the freshmen-sophomores who won two, lost one, and tied one.

The junior varsity opened its season against Vermont Academy's junior varsity at Saxton's River. The forward line of Whit Addington, Bill Freeman, and Dick Schroeder accounted for three goals, while two more were added by Rod O'Connor in the first line. Deerfield won, 5-1, and the game gave Coach Williams a chance to see how the team would develop. The second contest was played against Mt. Hermon at Deerfield. The visitors eked out a 2-1 victory with a late goal in the last period. Choate's junior varsity was trounced, 9-0, at Deerfield the following week. The Green completely out-classed the visitors, scoring four goals in the first period. Both goalies, Al Mitchell and Rud Barrett, as well as defenseman Garey Symington played extremely well for Deerfield. Two days later the team traveled to play the Cushing varsity. The Green team was defeated, 4-2, their goals being scored by Bill Freeman and Joe Rudd. Poor ice and the injury of Walter Lamb hampered the team, but their opponents were definitely superior. The first game played against the Williston varsity proved to be the J.V.'s worst defeat. Williston won, 7-1, outplaying the visitors in every depart-

ment. In the return game, however, Williston was edged out, 3-2. Foehl, Freeman, O'Connor, and Hiden were cited by the coach for their fine play in the season's closer.

The third team's schedule was limited to only two games this year. The first resulted in a win for the visitors, Westminster. Superior puck-handling proved to be the deciding factor, as Westminster triumphed, 3-1. The third team easily defeated Mt. Hermon, 4-1, in the final game of the season.

Westminster suffered a 10-1 loss at the hands of the freshman-sophomore team in the opening game of the season. Of the nine players participating in the scoring Renny Dimond was the outstanding scorer, with three goals. The second encounter of the year resulted in a 2-2 tie with Mt. Hermon. The team again accumulated a 10-1 score, beating Williston at Easthampton. Alan Campbell, Tom Kellogg, and Bernie Moran were outstanding in this game. The team's only loss of the season came in the final game at the hands of an aggressive squad from Eaglebrook. The visitors out-skated Deerfield and won 3-1.

The Junior Varsity team was led by a line consisting entirely of sophomores which will be a bulwark of the varsity squad in the next few years. The freshman-sophomore team saw the rapid development of several exceptionally able players who should be a firm foundation for the higher teams in the future. Since the majority of third-team players were seniors, that squad was consecrated to abandoned enjoyment of the game, and they succeeded marvelously. Thus the lower teams had another fine year in which both improvement and recreation were seen.

VARSITY SWIMMING

THE three weeks between Thanksgiving and Christmas vacations found Coaches Pidgeon and Hubbard putting some thirty-five swimming aspirants through strenuous work-outs in a pre-season attempt to condition the team. Besides co-captains Ed Dooley and Jack Hodgson, the coaches had an experienced nucleus of seven other returning lettermen with which to work, among whom were Noel Stace and Howie Stepp — both members of the 1950 All-American Preparatory School Team. The prospect for the coming season was exceedingly bright.

And, as it was, success did come. The swimming team's record of six wins and four losses and its placing second at the Trinity Interscholastics at the season's end tell a story of improvement as well as of success. The great obstacle which the swimmers faced was that of winter sickness. In mid-season with the breaking out of the flu epidemic in New England the team was weakened even more than has been the case in past years.

The season rolled into high gear right at the beginning as the Green splashed to a decisive 38-28 victory over Trinity. The varsity took five first places of which two went to co-captains Dooley and Hodgson. The following Saturday Deerfield swam against Gardner High defeating them, 42-33. Sweeps were made both in the breaststroke and the diving.

The varsity, travelling the long trip to Albany, met with defeat at the hands of Albany Academy, 34-32. Besides the closeness of the meet the afternoon was made thrilling by the breaking of six records, two of which were broken by the visitors, Stace lowering the Deerfield record for the 200 freestyle to 2:08.8. Following this loss the Green defeated both Worcester and Williston, 56-19 and 46-29 respectively. Outstanding for Deerfield were Dooley and Lewis.

After handily defeating the Williston swimmers the Green dropped an exciting meet to the powerful Dartmouth freshmen, the outcome of which was not determined until the final relay. In a thrilling finish Stace came from far behind to win the 200-yard freestyle, and thus kept

Deerfield in the running. The Dartmouth visitors, however, took both relays and set a new 150-yard medley relay record and finally won the meet.

At Lakeville the following week the Hotchkiss varsity continued its swimming mastery over Deerfield by drubbing them, 47-28. The depth of the Hotchkiss team was the deciding factor in the outcome of the meet. The following Wednesday the varsity, although swimming what was easily its best meet of the season, went down to defeat at the hands of a fine Andover team. First places for the Green team went only to Creamer in the diving and Stace in the medley. As a result of second places in every event except the individual medley the score was 33 to 40 against the Green going into the relays. Andover, needing only one relay to win, took both and thus the meet, 45-30.

Travelling to Amherst the Green and White soundly trounced the Amherst '54 swimmers, 40-26. In winning, the visitors copped six out of eight first places. The two outstanding Deerfield performers during the afternoon were Charlie Grace and Stace. Ending its dual meet competition for the season the varsity easily vanquished Mt. Hermon, 49½-25½, a dead heat in the medley relay accounting for the split score.

At the Interscholastics Deerfield concluded its schedule in great style by taking second place in a field of eight. Stace's victory in the 200 freestyle over Gene Latham of Hotchkiss avenged his previous defeat to this arch-rival. Peter Lewis was the only other winner for Deerfield, capturing first place in the backstroke.

Credit for the admirable record compiled by this year's varsity is due both to the able coaching of Messrs. Pidgeon and Hubbard and to the consistent hard work of the whole squad. This year the Deerfield Swimming Trophy went to the team's high scorer, Noel Stace.

VARSITY SKIING

THE prevailing factor in our skiing at Deerfield this year was, as usual, the battle of men against the elements. Because of the lack of snow, the varsity ski team, supported by returning lettermen Captain Tom Hardenbergh, Jerry Greene, Dick Hallagan, Ed Merrill, Phil Palmedo, Frank Punderson, and Pete Thompson, was forced to cancel three dual meets and one carnival out of the total eight scheduled contests, while they made up one. Even in these, it was possible only to run the jumping and cross-country events and in separate instances the downhill and slalom. But, taking into consideration this lack of snow and, consequently, the small amount of practice, the team finished the season with a good record.

The Vermont Academy carnival was run as planned, after the initial meet with Proctor and Hebron had been canceled due to a sudden thaw. But, of the four scheduled events, only the jumping could be held. This was run after snow, which had been stored on the north side of buildings, had been trucked to the jump. Vermont scored 97 points, followed by Kimball Union with 87 points and, in third, Deerfield had 83 points. The Green and White's high man was Frank Punderson in fourth place. Dick Hallagan, Ed Merrill, and Jerry Greene also performed very well.

At the Kimball Union Carnival, it was only possible to run the jumping and cross-country events. Again, Vermont took first place, followed by the home team, Deerfield, and Mt. Hermon, in that order. Considering the amount of practice that the team had had, it did well in placing third, 10.1 points behind the winner. Pete Clark was outstanding for the Green and White, tying for third place in the cross-country. Hardenbergh and Greene also were good, placing ninth and eleventh, respectively. Punderson

again led the team in jumping, capturing seventh place, followed closely by Palmedo, Greene, and Hallagan.

Blessed with good weather, the team traveled next to Mt. Hermon to compete in a dual meet. Both scheduled events, jumping and cross-country, were held as planned. But Deerfield lost by the very close score of 191.4 to 190.7. Captain Hardenbergh placed second, Clark fourth, Hallagan fifth, and Greene sixth in the cross-country to give Deerfield a slight edge of 0.2 of a point. But Mt. Hermon placed first and second in the jumping, edging out Punderson and Palmedo, and won this event by 0.9 of a point, thus taking the meet.

After being forced to cancel the Cushing carnival, a second contest with Mt. Hermon, and a dual meet with Hebron, the varsity overcame Dublin, 289.8 to 285.9. For the first time, there was snow enough for the running of the downhill. But the Green's lack of practice in this event gave Dublin the win by five points. Greene placed first in the cross-country with Clark, Hallagan, and Hardenbergh taking the next three places. Punderson won the jumping with Palmedo and Hallagan taking third and fourth place, hence giving Deerfield these two events and the meet.

In a make-up meet against Cushing at Lake Sunapee, the ski team was victorious, 100 to 85.19. Palmedo won the slalom, the only event held, and Punderson, Clark, and Thompson captured the next three places for a perfect score of 100. Hallagan, Doering, and Hardenbergh took places six through nine, but this did not have any effect on the score.

Mr. Ruggles and Mr. Brewster ought to be commended for building such a fine team despite the small amount of practice. Although the team is losing five men by graduation, next year's team promises to be strong with an assuring junior varsity taking over.

VARSITY SQUASH

VARSITY SQUASH has had a banner season this year. Coached by Messrs. Poor and Reade to whom, for their unfailing advice and guidance a large share of credit is due, and skillfully led by an able captain, Dozier Gardner, the team compiled an outstanding eleven-win, two-loss record. The two defeats were at the hands of the strong Harvard and Yale Freshmen; and, even in these matches, the players performed with the coolness and deliberateness which was characteristic of the entire season.

The ranking board tournament, which is designed to stimulate interest in squash and also to determine a player's place on the squash ladder, was the season's first event. Geoffrey Steere, a new boy Junior, copped top honors by defeating Conrad Fischer, a convert to the game in the Fall, in the finals.

For the second time in eleven years the Varsity overpowered the faculty, 7-3, in an informal match. With this victory presaging a successful season, the squad then went on to defeat the Trinity Freshmen and Choate, 5-0 and 4-3 respectively, in their opening encounters of the season.

Highlighting this year's schedule was the 3-2 win over Exeter four days later. With the score tied 2-2, victories being accredited to Milton and Lincoln, Dozier Gardner, at the number-one position, playing with a specially devised hand grip to permit his playing with a broken finger, mastered his opponent, who had beaten him last year, to capture the match for the Green and White.

Within the next eight days the squad had chalked up four more decisive wins. Williston and the Amherst Freshmen went down under the Green might, 5-0 and 9-0, and Middlesex, a new opponent added to the Green schedule, lost 8-1. The team also proved to be superior to the Williams Freshmen, defeating them 7-2.

Continuing in the winning column, the first seven players scored an overwhelming victory over the Wesleyan Freshmen.

Choate tried valiantly to avenge its previous defeat but won only two out of the seven matches. Amherst, also on the avenger's trail, threatened the Green men; but Conrad Fischer, at the number eight spot, outpointed his opponent to win the contest for Deerfield, 5-4.

On February 24 the Yale Freshmen ended the ten-match winning streak by defeating the Varsity, 9-0. The brilliance of the home-team's play is demonstrated, however, when one considers that most of the nine matches went to at least four games. It can also be noted that four members of last year's Varsity helped bolster the ranks of the Eli-men. While they lost to Harvard, 6-1, the squad continued to play a superior brand of squash. The team then concluded their outstanding season with a 5-0 victory over Williston.

With the outside schedule completed, one hundred and nine boys competed in the annual school tournament in which Dozier Gardner beat Geoffrey Steere in the finals.

As a result of the school tournament, it is evident that a great potentiality exists in the school; and, in the light of this season's record, the coaches can look forward to a bright future for 1952 in squash.

VARSITY BASEBALL

WITH four lettermen returning from the 1950 team Varsity Baseball potentialities for 1951 are almost boundless. Mr. Boyden and Mr. Williams have mainstays Art Bond, Tucker Creamer, Hal Seward, and Garey Symington as a nucleus around which to build a powerful team. In addition to these holdovers the coaches were greeted with two outstanding newcomers, Lee Hildreth and Bob Jedrey.

Deerfield's infield is composed of two Varsity returnees and boasts the rare admixture of hitters who are also fielders. Garey Symington, by means of his powerful bat and excellent fielding at first base, has served notice to all that he is not to be budged from the position which he held down so securely last season. At second base is the dependable Hal Seward who gives promise of being one of the team's top hitters. Teaming with Seward around the keystone is Bob Jedrey, an excellent shortstop and a fine batter. Jan Austell, a member of last year's Junior Varsity, has secured third base. For infield insurance the Varsity has Jim Nolen, who will most undoubtedly see much action this year and make the regulars hustle to keep their jobs secure.

The Green's battery corps is another strong point. With Art Bond and Bernie Redmond pitching and Lee Hildreth and Willie Lapham behind the plate, this vital phase of baseball fortunately rests in good hands. Bond is greatly improved from last season, when he was one of the Varsity's four pitchers. Redmond pitched well in the Junior system in 1950 and has pitched equally as brilliantly so far this spring. Hildreth, who was shifted from pitcher to catcher, a position entirely new to him, has already made his mark in Deerfield baseball circles. Hildreth, incidentally, can also double as a starting pitcher if need be. Willie Lapham, a dependable second-string catcher also adds strength and depth to the team. Last year

he performed very creditably for the Junior Varsity squad and is awaiting a chance to break into this year's lineup.

Mr. Boyden and Mr. Williams can field a fast group of extremely capable outfielders. Tucker Creamer, returning from the 1950 squad, has resumed one outfield position. The fine batting of Jim Schoff, who was the best hitter on Mr. Perrin's First Juniors last season, has not failed in 1951. Charlie Pielock seems to have clinched the remaining position. All three outfielders, however, will have competition from Tommy Thompson, another erstwhile First Junior.

The season opened auspiciously enough with a 5-to-2 victory at Kimball Union. Hildreth and Austell spearheaded the attack with two hits apiece, but the star of the game was Art Bond, who pitched nine innings of extremely good baseball, allowing only five hits. The hitting, however, was not on a par with Bond's accomplishment, but much of the ineptitude can be attributed to a long and tedious bus ride.

Previously silent bats broke out in a barrage of base hits as the Varsity coasted to its second win of the year over Vermont, 7 to 5. Schoff and Hildreth were the leaders in an attack that shelled Vermont pitchers for 14 hits, each collecting three. Nolen and Symington contributed two apiece, and Jedrey, Pielock, Redmond, and Seward also made timely hits. Redmond pitched superbly, allowing only three hits.

There is still some question whether the mound staff can continue its fine work. The batting has certainly left nothing to be desired, at least in the first two games. If both pitching and hitting continue at the present rate, Coaches Boyden and Williams will have just cause to be proud of the 1951 Varsity Baseball team. It should be an interesting season and one which offers the student body much enjoyment.

VARSITY LACROSSE

THE game of lacrosse, since first being introduced to Deerfield some years ago by Mr. Haviland, has earned for itself a firm and popular place in the school's athletic program. Year in and year out varsity teams have proved to be keen competitors for the New England Lacrosse Championship and have won this coveted award on eight occasions, the last time occurring two years ago when Coaches Haviland and Avirett fielded an undefeated team. Despite the fact that there were eleven returning lettermen the task of organizing this year's squad was an extremely difficult one. These lettermen, well-versed in the tactics and fundamentals of the game, were a well coordinated unit, but there was a notable deficiency in reserve strength.

Furnishing the necessary scoring punch this spring was the attack trio, consisting of Peter Gulick, a promising newcomer from last year's J.V. team, Dexter Lewis, the only junior on the squad, and Paul Tiemer, last year's high scorer with 20 goals. The first midfield this year was composed of three able lettermen, Ducky Drake, Charlie Grace and George Lunt. Bill Ames, Bob Hiden and Dave Banks comprised the second, while the third listed George Dill, Tom Donnelly and Todd Baldwin as its members. With two years of varsity experience behind him, goalie Art DuBois proved one of the mainstays on this year's team. In front of him a formidable defense was spearheaded by Captain Dave Findlay and two vastly improved boys from the Jayvees, Mike DeCamp and Dave Whiteford, with Bang French filling in as an extra.

Opening its season on home grounds, Deerfield unleashed a barrage of goals in each quarter to overwhelm a spirited but ragged R.P.I. team by the score of 23-0. Paced by Tiemer and Gulick with

five goals each, the Green left no doubt as to their superiority, but the game was no indication of their potential strength. The team's chief difficulty seemed to lie in their apparent inability to pass and to set up plays.

Playing away for the first time, and against much keener competition, the varsity journeyed to Cambridge for their game with the perennially strong Harvard Freshmen. Led by Captain Findlay, the team, displaying a vastly improved caliber of play, ran over the Crimson to the tune of a 12-6 score. Gulick and Lewis were in leading scores with four and three goals respectively, but it was Tiemer's one goal and five assists which were decisive factors in the team's victory. The greatest obstacle in Deerfield's path was the team's difficulty in recovering loose balls.

With the score standing 4-3 against Yale and but one minute left in the half, the Green rallied, scoring three goals. The second half was all Deerfield, the final score being a decisive 13-3. The attack combination of Gulick, Lewis and Tiemer was accredited with six goals and seven assists. George Lunt once again played his usual aggressive game and was a constant thorn in the side of the New Haven Bulldogs. Deerfield's superior conditioning was asserted in the second half and Yale offered only token resistance to the Green onslaught.

This year the varsity is again playing a difficult schedule, and indeed it will be only by constant and diligent effort that the team can expect to defeat such teams of the caliber of Exeter, Andover and the Army Plebes. With a record of three wins and no losses, the prospects for another successful season are extremely bright, but at this writing it is difficult to estimate the team's actual potentialities.

VARSITY TENNIS

WHILE, as this POCUMTUCK goes to press, the varsity tennis team has played only four matches, it is safe to assume that this year's squad will add still further glory to the sixty-four win sixteen-loss record amassed by its predecessors since Mr. Poor became head coach in 1943.

The purchase of a twelve-hundred-pound power roller enabled the one hundred and thirty-five boys out for tennis to get on all the courts two weeks earlier than last year. A lot of credit is due Mr. Savage and his crew for their untiring work in getting the courts in shape for the varsity's use, enabling them to start their schedule on April 18.

A highlight of this year's schedule will be the New England Interscholastic Qualifying Tournament to be held here on May 18 and 19. The semi-finalists in the tourney will journey to Charlottesville, Virginia this June to participate in the National Interscholastics.

Four returning lettermen, Co-captains Dozier Gardner and Pete von Storch, Bob Baker, and Conrad Fischer, form the nucleus of this year's team. Also returning is Hal Crampton, who came up to the varsity toward the end of the 1950 season. Up from the junior varsity where they played second and ninth positions are Howie Brown and Alex Taylor. Other members of the squad include Bill Cullen, a new-boy junior who is the boys' champion of Ireland and Southern France, Steve Gottlieb, ranked fourth nationally in boys' doubles, Sam Eells, a sophomore with considerable tournament experience, and Geoff Steere and Jim Sanderson, who played for three years on their respective varsities at the Haverford and Nichols schools.

The varsity opened its season on April 18 by downing the Kent School netmen, 7-1. Pete von Storch registered the only defeat of the afternoon, losing in three close sets at the number-six spot.

Three days later the racqueteers went to Yale, and, for the first time since the

rivalry commenced, defeated the Eli Freshmen, 8-1. The most exciting match of the day was the one in which Bob Baker, after being behind 6-0, 5-2, came back to win the next eleven games and the set, 0-6, 7-5, 6-0. Dozier Gardner, at the No. 1 spot, pitted his skill against that of last year's captain, Charlie Neave, and came out at the long end of a 7-5, 6-3 score. Steve Gottlieb and Geoff Steere won in three sets, while Cullen and Fischer overcame their adversaries in two sets. The only Green loss was suffered by a third doubles team of Cullen-von Storch, who went down in three hard-fought sets, 6-4, 2-6, 7-5. Fischer and Gardner won in three sets at first doubles; and Steere and Gottlieb, the second doubles team, pointed up a 6-1, 6-3 score for the visitors' last win of the day.

The Wesleyan Freshmen succumbed to the Green might in the varsity's first home match, 8-1. All six singles matches were swept by Deerfield in two sets. A third doubles team of Eells and Taylor were the only home-team losers, dropping their match, 6-4, 3-6, 6-2.

Continuing in the winning column, the Green and White overcame a weak Hotchkiss team, 8-1. As in the Wesleyan match all six singles players defeated their adversaries in straight sets. Gardner and Gottlieb won 6-2, 6-2 and 6-3, 6-2 respectively. Other winners in the singles were Cullen, Fischer, Steere, and Baker. The doubles teams of Fischer-Gottlieb and Gardner-von Storch won in two sets, while Crampton and Sanderson dropped their match, 6-3, 6-3.

A great deal of praise goes to Mr. Poor for his ceaseless effort on behalf of the varsity and to Messrs Reade, Hallenbeck, Silk, and Dicklow for their competency in working among the lower squads. The coming matches should be of interest to players and spectators.

VARSITY TRACK

THE track team favored by exceedingly fine April weather and by the excellent coaching of Messrs. Saunders, Pidgeon, Switzer, Cook, and Suitor rounded into shape quickly. But at this time the success of the team is hard to predict. Only a few reliable trackmen have returned from last year's squad, and consequently the newcomers to the team will largely determine the difference between an exceptional and a mediocre season.

The varsity is blessed with one of the country's best prep school half-milers in Captain Charlie Smith. He ought to enjoy another undefeated season in his specialty. Other veterans include Andy Schmitt in the pole vault and high jump, Ed Opler and George Rodormer in the dashes, and Denny Gamble in the hurdles and 440.

New boys and those who have had some previous Deerfield experience who aspire to be prominent in the team's success are Ralph Lowenfield in the broad jump, John Gates in the pole vault, Piet van Loon and Merritt Williams in the mile, Jim O'Hara in the hurdles, and Gerry Murphy and Pat McCarthy in the 440.

In the first meet of the season Deerfield was host to a very strong Choate team. A heavy wind prevailed during the events, and it influenced the times of the races. Deerfield managed to obtain a lead in the running events, but they were completely outclassed in the field events, a factor which caused the defeat of the team. Particularly impressive for Deerfield were Opler and Smith, who both managed to win their respective races. Opler won the 100 and 220-yard sprints with times of 10.5 and 23.4 respectively. Rodormer placed third in the 220. McCarthy and Murphy took second and third in the 440. Their times were very good, and much can be expected of them in the future. The two most thrilling races of the day were held in the 880 and mile. In both of these distance jaunts Smith yielded large leads to his oppon-

ents and then overtook them at the finish of the race. Van Loon ran very well in the 880 and nearly handed Smith his first loss in two seasons. Gamble gained a second and a third respectively in the low and high hurdles.

The team sought victory in the field events, but they were no contest for the Choate weight men. The opponents swept the broad jump and javelin, but in the latter event the coaches were pleased by the performances of Bob Mobley and Bob Moses. The absence of Gene Holman was a factor in Deerfield's poor showing in the broad jump. Schmitt tied for first in the pole vault with a 10′8″ leap and tied for second in the high jump. Drazan gained a third in the discus. The final score of the meet found Choate ahead, 75 2-3 to 41 1-3.

With constant practice the team should be able to have a creditable record this spring. They appear very strong in the running events and with sufficient improvement in the weights the team should have as successful a season as that of last year.

Deerfield opposes Mt. Hermon in its next encounter. Mt. Hermon easily defeated the Green and White last spring, and the track team is anxious to avenge this loss. The team also has dual meets with Vermont and the Mass. Frosh. The highlights of the season will be a triangle meet against Loomis and Williston and the Interscholastics, which close the season.

Much credit for the development of the squad is due to the coaches. They have worked faithfully with a somewhat green group of boys. They have eliminated the traditional "sun squad" and have started a junior varsity team, which in the future will insure better track teams. Although this year's team may have hard luck, the outlook in track for years to come is certainly optimistic with the appointment of Mr. Pidgeon as head coach.

World's Finest Milk Chocolate Filled with Roasted Almonds

LUSCIOUS milk chocolate at its best . . . rich, smooth, creamy . . . generously filled with select, crisp, roasted, *whole* California almonds . . . a perfectly delicious blend of choicest ingredients. Enjoy the satisfying wholesome goodness of world's finest milk chocolate, filled with roasted almonds. It makes a delightful gift, too . . . one that will be gratefully appreciated, one for which you will be long remembered. Sold where good living is a tradition.

AMERICA'S FUTURE

When danger threatens, all Americans turn their eyes towards our great industrial machine.

In such times, all of us share a mutual confidence in the future, based on our knowledge of the ability of our mines, mills and factories to produce more and better fighting equipment than any potential enemy.

American Industry is now speeding up its output, converting from plowshares to swords. Princeton Worsted Mills are proud of their participation in this effort. Untold yards of fine Princeton worsted fabrics are being produced for the use of our armed forces.

In peace or war, America's future rests securely on the productivity of American industry. The task of maintaining industrial progress offers today's students the opportunity in the future of making a priceless contribution to the preservation of America's heritage.

Your preparation and training for service to industry will be the basic measure of your future performance.

Waxing the car with CAR-PLATE

takes minutes

instead of hours!

■ Yes, when you do the job with Johnson's Car-Plate . . . you're through in 20 minutes . . . without a stroke of rubbing.

And what a shine! Diamond bright . . . diamond smooth . . . the longest-lasting wax finish science has been able to perfect!

Just spread Car-Plate on the clean finish . . . let it dry . . . wipe lightly. That's all.

Your service station or regular wax dealer carries Johnson's Car-Plate. One dollar.

S. C. JOHNSON & SON, INC;, Racine, Wisconsin

"Johnson's" and "Car-Plate" are registered trademarks.

THE BIGGER THEY COME...

Hunting big game is a man-sized job. That's why from the wild north woods to the jungles, hunters rely on Winchester SUPER-SPEED and Western SUPER-X cartridges with SILVERTIP expanding bullets. Their world-wide reputation for smashing power and long-range accuracy is another example of the superiority people recognize in *all* of OLIN'S many products.

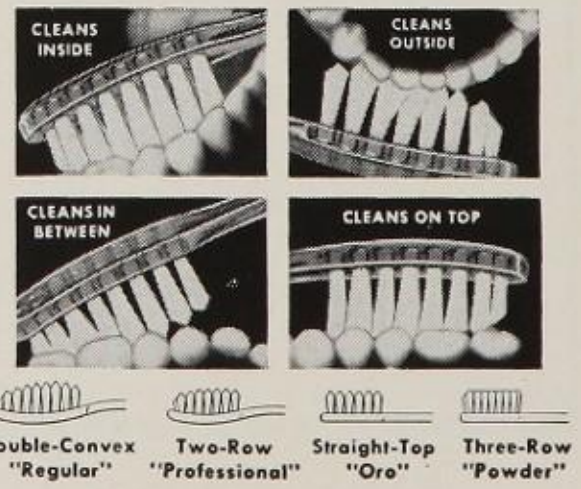
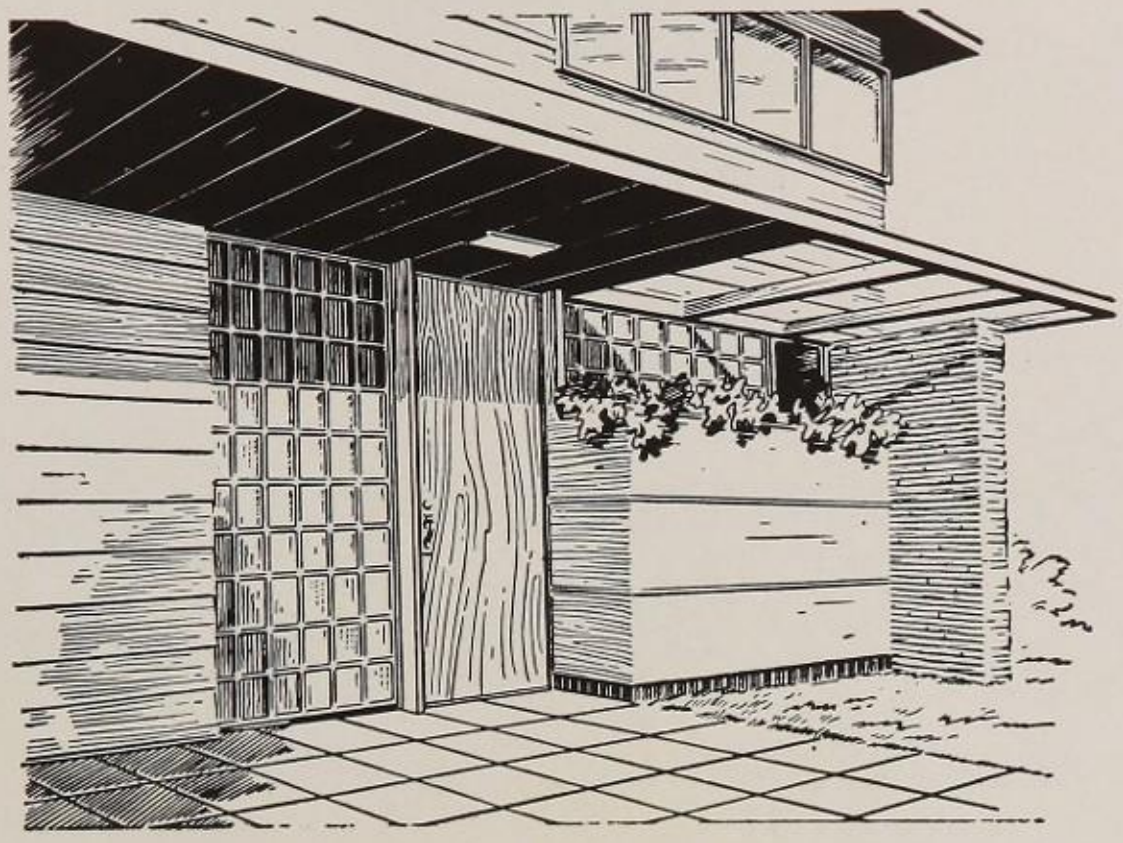
FITS THREE WAYS...

Your hand! Your mouth! Your teeth!

Here's a brush that is worthy of the vital task it performs. It's the Dr. West's Miracle-Tuft. Examine it carefully. Notice the scientifically, two-way curved brushhead that reaches all tooth surfaces . . . the water-proofed, "Exton" bristles set in perfectly-formed tufts. Notice, too, the carefully molded handle of glistening plastic and the smooth-surfaced brushhead that fits your mouth precisely. Yes, it's worthy of the protection that the Dr. West's glass tube affords. Start using a new Dr. West's today. Available in the four designs shown at right. 50c.



Decorative and Practical!



A gleaming panel of Insulux Glass Block is an open invitation for sunshine to come into your home. This unique building material passes light readily—without sacrificing your privacy.

Panels of Insulux can be used to brighten an entry way or to add new beauty to a kitchen, living room, bedroom or bath.

OWENS-CORNING
FIBERGLAS

the Name of a Good American

Ask anybody, "What's a Good American," and likely the answer will be, "He's a sensible, law-abiding man. He works hard, he deals fairly. He plans ahead, he has faith in the U.S.A. He raises a good family, he helps make this land a better place to live in. He's ready to defend his country if need be."

. . . Nothing fancy—but a Good American is a pretty sound man, a good neighbor, a first-class citizen.

Let's set that same yardstick against Owens-Corning Fiberglas Corporation.

Certainly this company must have worked hard, dealt fairly, planned sensibly and with faith . . . for in twelve years Fiberglas has become a company with five manufacturing plants in the Midwest, in the East, and on the Pacific Coast, and still another under construction in the Southeast . . . all of them paying taxes to Uncle Sam.

Have we a family? Of course: 7,300 employees, as fine a group of Americans as you'll find . . . raising families, buying homes, spending money, paying taxes.

Does Fiberglas help make America a better place to live in? Well, our plants turn out a huge volume of fibrous glass materials and products. Each product was pioneered by Fiberglas just as the West was pioneered. Each one does a specific job more efficiently or more economically than it was done before—from the filtering of air and the saving of fuel in homes and plants and buildings, to the insulation of ships and planes, the preservation of food, the delivery of oil and gas in pipelines, and turning deserts into productive land through irrigation . . . a mighty force for good!

And when it comes to national defense—and that's where bigness helps—Fiberglas plants and production are ready to serve with Fiberglas reinforced plastics . . . with materials for lightweight assault boats . . . with ship, plane and rocket insulation . . . with materials to make electric motors last longer and serve better . . . with materials for non-sinkable life jackets and fire safe fabrics . . . with means for food preservation . . . with medical supply . . . with materials to help the Armed Forces and every industry to do a faster, better job—a very great contribution to national defense!

That's Fiberglas—the name of a Good American.

Owens-Corning Fiberglas Corporation, General Offices, Toledo 1, Ohio. Pacific Coast Division, Santa Clara, California. Textile Division, New York, New York. Branches in all principal cities. Plants in Santa Clara, California; Kansas City, Kansas; Ashton, Rhode Island; Huntingdon, Pennsylvania; Newark, Ohio.

*Fiberglas is the trade-mark (Reg. U. S. Pat. Off.) of Owens-Corning Fiberglas Corporation for a variety of products made of or with fibers of glass.

A Book To Be Treasured . . .

This annual is a permanent record, in picture and prose, of the academic year 1950-1951 at Deerfield Academy. Its value will increase as the years pass, and the quality of the printing will contribute in great measure to its lasting worth.

The Andover Press, Ltd., takes pride in its well-known craftsmanship which, combined with the long hours of careful planning and painstaking editorial work by the POCUM-TUCK Staff, makes this a book to be treasured.
